Highlights

- 6+ years of SWE experience at Samsung Electronics
- Expertise in **data analytics, machine learning, automation,** and **software development**
- Full-stack developer with strong analytical and problem-solving skills
- Hands-on experience in applying advanced algorithms to optimize efficiency and system performance
- Strong presentation and communication skills, developed as a Teaching Assistant & Project Coordinator
- Passionate about innovation, attention to detail, and creating intelligent, data-driven solutions
- Retail experience at Rath's Londis Plus, Carlow, Ireland

Education

South East Technological University, Carlow, Ireland
Master of Science in Data Science *Sep. 2026 – Aug. 2027*

East West University, Dhaka, Bangladesh
Master of Science in Computer Science & Engineering *Sep. 2022 – Jul. 2024*

- CGPA: 3.69/4.00
- Thesis: Autism Detection Analysis with State-of-the-Art ML Models and Explainable AI

Bachelor of Science in Computer Science & Engineering *Jan. 2015 – Oct 2019*

- CGPA: 3.74/4.00
- Thesis: Optimized Localization of Underwater Wireless Sensors Using Differential Evolution Algorithm

Professional Experience

Senior Software Engineer *Jan. 2020 – Aug. 2026*
Samsung R&D Institute Bangladesh, Samsung Electronics *Dhaka, Bangladesh*

- Collaborated with cross-functional teams to develop innovative solutions for **Samsung SmartThings, Samsung Health, Galaxy Wearables, and DeX on PC**.
- Supported software-release operations and process automation for **Samsung Wearable devices**, coordinating engineering teams across **Bangladesh, South Korea, and India**.
- Designed & developed advanced websites using **Laravel, CodeIgniter, PHP, JavaScript & MySQL**.
- Built prototypes with efficient **database & UI design** and query optimization for cost-effective solutions.
- Data analysis with **ML models** and graphical interface design for engaging & effective data visualization with **Python, Pandas & Power BI**.
- Continuous integration, cross-site scripting (XSS) and troubleshoot critical issues for system security and performance optimization.

Full-time Intern *July 2019 – Dec. 2019*
Samsung R&D Institute Bangladesh, R&D Project Management *Dhaka, Bangladesh*

- Database design, Middleware design and maintenance support for automation tools.
- Design & implement attractive UI and prepare project documentation.

Teaching Assistant *May 2017 – June 2019*
East West University *Dhaka, Bangladesh*

- Conducted office hours to assist in course material preparation, lab sessions, and mentoring students.
- Graded assignments, provided feedbacks, and helped students with complex concepts & problem-solving skills.

Retail Sales Assistant *Sep. 2026 – Ongoing*
Rath's Londis Plus *Carlow, Ireland*

- Process customer purchases through the POS system and handle cash & card transactions.
- Deliver customer service, respond to customer queries, and support smooth day-to-day store operations.

Publications

N. B. Shova and S. H. Ripon, *"Autism Detection: A Comprehensive Analysis with Machine Learning Models and Explainable AI"* [Ready to submit in IEEE Access]

N. B. Shova and S. M. A. Huda, *"Stress Level Detection from Wearable Devices Using Deep Learning and Machine Learning Techniques"* [Under Preparation]

Technical Skills

Programming Languages: Python, R, PHP, JavaScript, AJAX, jQuery, HTML, CSS, C++

Web Development: Laravel (MVC), CodeIgniter, WordPress, MySQL, MongoDB, Git/GitHub, Agile, Scrum

Data Analytics & Visualization: SQL, Database Administration, Power BI, Tableau, Pandas, NumPy, Matplotlib, Seaborn

AI and Machine Learning: TensorFlow, Scikit-learn, Explainable AI (XAI – SHAP, LIME), Feature Engineering, Model Interpretability

Others: Linux, Docker, Kubernetes

Problem Solving Profile

Solved 300+ problems across all platforms.

LeetCode: shova231 **HackerRank:** nabilashova **UVA Online Judge:** Nabila Shova

Awards and Achievements

- **100% Merit Scholarship** for 4 years in B Sc. in Computer Science & Engineering, awarded by East West University, Dhaka, Bangladesh.
- **4th Place Award** in Beginner & Intermediate level programming contest, Spring 2015, organized by the East West University Computer Programming Club (EWUCoPC).
- **SRBD Icon of the Month Award (Oct. 2020, Aug. 2024)**: Awarded for outstanding contributions to ongoing projects of Samsung R&D Institute Bangladesh.
- **Recognition of Excellence Award (July - Dec. 2024)**: Team award for contribution in yearly milestones achievement of Samsung R&D Institute Bangladesh.

Volunteer Experience

Event Organizer, Course Instructor *Aug. 2019 – Aug. 2026*
Junior Software Academy, Samsung R&D Institute Bangladesh

- Organized Junior Software Academy (JSA) program twice every year for underprivileged children of NGO, as part of the CSR activities of Samsung R&D Institute Bangladesh.
- Conducted classes on basic IT training: Math, Programming [C Language], Graphic Design, MS Office etc.

Extra-Curricular Activities

Senior Executive *Jan. 2015 – June 2019*
East West University Computer Programming Club, EWUCoPC

- Represented the student panel & Organized four intra-university programming contests.
- Conducted training camps for undergraduate students to enhance their problem solving skills.

Coordinator of Dance Floor *Jan. 2017 – Apr. 2019*
East West University Club for Performing Arts, ECPA

- Coordinated events: Summer Fest, Inter University Dance Fest etc. & performed classical & freestyle dance.
